***We Don't Want Bouncy Castles -
We Want Answers:***

- **Who are the Pro-TMO Campaigners?**
- **What skills do they have to run our estate?**
- **Are they competent to administer £2 million+ pounds of our money every year?**
- **Why won't they hold public meetings to discuss the issues?**
- **Why don't they communicate truthfully with the ordinary people of the estate?**

After 9 Years in Development - Yes 9 years!!!! - we demand answers to these questions.

If you don't know the answers to the above questions, when the ballot comes VOTE NO TO THE TMO. Stay safe, stay with Southwark management of our estate.
